

The Blue Ridge Association of REALTORS® And

Bring to you The Conservation Course

Instructor: Michael Collins

September 25th, 2008

9am—3pm

Location: Blue Ridge Association of REALTORS®

Certifications

Certification offered by Conserv is the mechanism through which actors involved in the real estate marketplace are provided opportunity to act in a more ecologically-friendly manner. Conserv currently offers the American Conservation Broker (ACB) certification program. ACB certification classes are currently offered in the mid-Atlantic region only through classes sponsored by area associations of REALTORS. An on-line curriculum is under development and will soon be deployed through this site. The International Conservation Broker certification and American Sustainable Development certification are under development.

Because the course just went online and it is being beta tested, Conserv is offering the certification at NO COST to REALTORS who take the course at BRAR on September 25th from 9-3, as long as you join Conserv. Conserv membership is typically \$100 for one year, and Conserv is offering it to our group for \$100 for two years. What a deal!

***You will need to bring a Laptop in order to complete this course**

Please let us know if you plan on attending: Fax to 540-662-5986 or email: brar@mrisc.com
